Serving Kimberly-Clark employees since 1947

Refinancing your auto loan from another lender to us is a smart move that will save you money!

Kimberly Clark Credit Union is known for its low loan rates and flexible financing that lets you choose from a wide range of payment terms and options. You can even pick a due date to fit your budget.

So if your auto loan is currently with another lender, refinancing it with us may help you pay off your loan sooner, lower your interest rate or decrease your payment.

Or, if you need a break from payments, you'll have the option to delay your first payment for 90 days.

You'll need the payoff amount on your loan. Then call our loan staff at 901-521-4646 or 1-800-462-7777.

No payment for 90 days on new and used autos, boats and RVs and on loans we refinance from another lender.

We usually beat or we'll match other rates!

Move your auto loan to us during March and you'll be entered in a drawing to win \$250.⁰⁰.
